TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

A Peasants Home. Berchtesgaden is a pretty little Bavarian town of about 2600 inhabitants, situated in the midst of a small principality, the dominions of which were so mountainous and so limited in extent that it was formerly jestingly said to be as high as it was broad. It is a popular summer resort and forms a good centre from which to make excursions into the beautiful country of the German Alps which surrounds it on all sides.
